

# Modern Calligraphy

Saturday, March 25th 1pm - 4pm

Learn the art of Modern Calligraphy with Angi of Angelique Ink in this three hour workshop where you'll explore the tools and practice the proper techniques of modern pointed pen calligraphy. Angi will go over everything from basic pen strokes to constructing and connecting letters, and styling and composition, so you can walk away with everything you need for developing your skill and style. Each student will receive a complete take-home calligraphy supply set curated by Angi, which includes her instructional guide book with alphabet exemplars and styling tips.

This is a really fun, no-pressure workshop for anyone interested in learning a new skill, picking up a fun hobby, trying a new technique/medium, or just looking for something fun to do with friends.
