

Modern Calligraphy for Beginners

Sunday, October 29th 2pm - 5pm

Learn the art of Modern Calligraphy with Angi of Angelique Ink. In this three hour workshop, you will explore the tools and practice the proper techniques of modern pointed pen calligraphy. Angi will go over everything from basic pen strokes to constructing and connecting letters to styling and composition. So you will walk away with everything you need for developing your skill and style. Each student will also receive a complete take-home calligraphy supply set curated by Angi, which includes her instructional guide book with alphabet exemplars and styling tips.
